# COCKTAIL TABLE HABANA

A master piece of mixed elements form a symphony of materials and finishes to complement each other in a stunning piece that exudes eclectic vibes. The top is rough sewn distressed reclaimed wood in a natural weathered tone. The thick top band is covered in a cream nail framed leather detail while resting on an elaborate iron base that combines a graphite tone with antiqued brass finish., Exquisite and refined while clearly eclectic to the core, this is a table that will inspire elegant and unique living room interiors.
