DINING CHAIR HABANA IN LEATHER

With a hand carved detail on hard wood and an excellent hand rubbed finish tone, this very sturdy high-quality chair sets itself apart from its competitors. Incredibly versatile, this chair can be placed in any room of the house and in any environment, due to its classic and yet transitional elegance. The contrast between the Italian leather applied to this frame and the rich yet subtle finish of its wood frame makes this a must have for any connoisseurs.
