END TABLE MADISON, OATMEAL

The Madison collection has a subtle and elegant timeless design of simplicity and clean lines while still preserving a traditional approach. This round accent table can be used as Sofa end table , next to a wing chair to hold a reading lamp or in many other uses due to its flexibility of options in decor. finished in a light oatmeal smooth tone lightly distressed in edges and legs, this classic table will allow you to place it in many corners of your home and always spell elegance.
