# SECTIONAL BELVEDERE

The Belvedere Sectional is where hacienda meets contemporary. The low profile frame is structured and finely tailored which perfectly juxtaposes the imperfect hand carved base. The base is intricately carved by skilled artisans and features a traditional fluid motif that expresses beautiful movement within the wood. The Belvedere, while shown here in a stunning 13 x13 configuration with Italian leather and Mist grey chenille, can be made in any size and in any number of materials including your COMS.
