SOFA PENELOPE

The Penelope Sofa has an exposed wooden frame with hand carved details, and a multi-layer black finished that replicates years of wear and tear to make it more realistic and truer to its design.
Made by hand by our very talented artisans, this one-of-a-kind classic and traditional sofa is assembled and finished with high quality components. Upholstered in high end designer textile in an off-white tone that juxtaposes with the dark frame, the seat cushions are enveloped with a blend of feather, down and micro denier fibers to ensure the most comfortable seat while providing durability and integrity through years to come.
